SUBJECT: New EWEG Feature – Funding Summary Page

The New Jersey Department of Education's Electronic Web-Enabled Grants (EWEG) system now includes a new feature, the Funding Summary page. The Funding Summary page displays the allocations, amounts paid and balances for all of the district's grants for that fiscal year in a single location.

After accessing the EWG system through the NJDOE's [Homeroom webpage](#), users will find a link on the "GMS Access/Select" screen that says "Click to view Funding Summary." A screenshot of the new Funding Summary page is provided below.

If the amount in both the total funds available column and the last approved budget column is greater than zero, the application has been approved and the funds are available to the district. A zero in either of the two columns indicates that either the application was not approved, the district refused the funds, or the district contributed the funds to a consortium.

If you have any questions or require additional information, please contact the Office of Grants Management at (609) 633-6974.
